

Painting Courses Additional Information

When attending two or three day Painting courses at Hillside House the arrival time 3pm onwards. After breakfast on the final day of your holiday expected departure time is 10am.

Course fees include tea, coffee and a buffet lunch. In the summer it will be taken in the large picturesque garden. Please bring your own packed Lunch when attending one day workshops.

If you are an experienced Artist and would like to use the facilities, but do not want to take the tuition that is not a problem. Or if your partner doesn't want to partake of the art course, but does want to be involved in the holiday...no problem, they can go as a non-participating partner. **(Single supplements will apply.)**

We hope the following descriptions of our painting holidays are comprehensive. Please do contact us if you need to ask any questions at all, seek any advice or discuss availability.

Should you have to a cancel workshop then your fee can be transferred to another date if advance notice is given. (There is a small charge for this.)
